I think," said Cartwright, "and there effable contempt "You're no use and statesmanship," and it is to his serted mills of Lancashire answer. is plenty of time, so we can take it easy. I shouldn't wonder if we put up some game as we go along. We had better take our guns with us."

"I'm not much of a sportsman, I'm afraid," said John Ackland, with his customary blush.

"O," laughed the other, "I dare say you are a better shot than I. You Northerners are such modest gentlemen. Anyhow, there's no harm in having out the guns. You see they are in nobody's way. That's how we sling 'em in our country, taken in no passengers at—

"I must be off " And off he went.

When he returned to Glenoak, the morning, the nor that he has resisted them. We cannot say that he has made his Administration in all respects 'popular' in the broad senze of the mischievous word, and yet no President had so many opportunities for dangerous word, and yet no President had so popularity. We might have been at any with England on the Alabama question, which would have been supported by every demagogue in the land with all the tempting rhetoric of land s plenty of time, so we can take it I must be off" And off he went. honor that he has resisted them. We

"Nothing." "Nor heard anything of him?" "Nothing, absolutely nothing,"
